MESSAGE FROM THE MAYOR

Spring weather has given us a great growing season for our yards. Remember we have a separate location for grass clippings in the yard waste dump off West 3rd Street. Please make sure to place the tree, shrub, and other burnable yard waste down the pit and off to the sides. Do not to block the drive down into the pit. Getting yards cleaned up for Farmers' Festival is helpful to the town and your neighbors. When you mow and spray, don't forget the area between the sidewalk and street. Each property owner is responsible for that area. Let's strive to make our yards as nice as Don and Tony have made the parks and cemetery.

The town received a Transportation Improvement Board grant for seal coating on 4th Street. This should fix several little problems and be completed just before Farmers' Festival.

Enjoy the upcoming heat!
Randy Camp, Mayor

The Class of 2023

would like to thank the community for all their support and invite the community to their graduation on Sat June 10 at 11am

.....LIBRARY NEWS.....

The LaCrosse Library is gearing up for Summer Reading. We have several kid, teen and adult programs in the planning stage that will be coming up in late June and July. Our first Summer Reading Kids Club will be Wednesday, June 14. We will have at least 6 Kids Club programs and a couple family nights or activities. We will continue with Book Club and Bingo with dessert. We plan to get adult-teen paint night in July and August. Remember that Summer Reading is for everyone and we have great prizes for completers in each category: kids (ages 0-11), teens (ages 12-17) and adults (ages 18 and over). Sign up starting June 1st.

On Saturday, June 24 from 10am-3pm, the LaCrosse Library we will be featuring Rural Heritage. Rural Heritage is a project of the Whitman County Library and local partners, consisting of photographs, documents, and artifacts which document the early culture, industry and community life of Whitman County and communities throughout Eastern Washington's Palouse Region. Come in and see what we have.

Join us on Monday, July 10 from 2-4pm for an in-person program from our Digital Navigators team! Staff from Pullman Marketing will be at the library to give a short presentation on a tech related topic (let us know what you need to know about!) and then will be available for any tech assistance you might have. Bring your computer, device, phone, or anything you need help with and we can help you! Or just come with your questions and we can help find you answer. Below are scheduled upcoming dates. Please check out the Whitman County Library website events calendar, LaCrosse Library Facebook page or flyers around town for future event dates.
