## MESSAGE FROM THE MAYOR

Fall has fallen on us! It's cooler, so it's a good time to get yard waste cleaned-up. Take all burnable YARD WASTE (branches and garden waste) to the city dump and we'll try to get it burned before it gets too wet. Your own fires must be contained and be out by 4pm. No burning on Sundays or Holidays. If you have grass and leaves, please take that to the compost pile at the cemetery. When you have violations to report to the town, please come in and fill out a report form in the office. Council and I will try to get it taken care of; it's always nice to be able to talk over any problems before we have to write up complaints. See if you can handle them with a discussion.

Have a safe and  
Happy Halloween,  
Mayor Randy Camp

*Right now, The LaCrosse Business Group is considering whether the 3rd or 4th weekend in June would be the best time to have Farmers Fest in the future. There are definitely pros and cons to either, but if you know of a direct conflict or have a strong opinion about either the 3rd or 4th weekend, please email the LaCrosse Business Group at .... lacrossebusinessgroup@gmail.com*

NEW

at 7:00 p.m. to 8:30 p.m.

**The Carnival is free to kids of all ages.**

# LIBRARY NEWS...

LaCrosse Library wishes all of you a happy fall. We had a very successful Summer Reading Program called "Tails and Tales". We had over 30 kids participate each week. We took a 7 week trip around the world. Each week the kids would get to-go-kits filled with worksheets, fun activities, crafts and a treat to eat. We explored an animal from each continent. Each kid had a passport and everything they finished the to-go-kit they got a sticker for their passport. We started our adventure in North America and learned about the Bald Eagle. We then headed south to South America where we discovered information about the sloth. After that we went to Africa (giraffes), Europe (reindeer), Asia (tiger), and Australia (koala). We finished our trip in Antarctica where we learned all about penguins. It was an awesome time and I enjoyed seeing pictures of all the kids completed crafts. I hope next year we will be able to do this all in person.

The adult and teens also participated in Summer Read with 3 to go craft kits over the 7 week period. It seemed like everyone really enjoyed it.

I want to thank the community and businesses for donating to Summer Reading. Because of your generous financial donations we had a FABULOUS summer program.

Now that we have entered into fall we have started Storytime to go bags. Every Thursday we will have a new bag available.

The library has new patron check out cards with our new logo and information. Stop by and grab yours today.

Libraries are still not able to have indoor programs so check out our website or Facebook page for any upcoming online or take home programs.

If you have any questions stop by or give us a call.

Sincerely,

Tami Schwartz

LaCrosse Library Branch Manager

Monday 2-6pm and Thursday 10am-2pm
