MESSAGE FROM THE MAYOR

The Town of LaCrossre would like thank all those who applied for the maintenance position. We welcome Justin Smith to our Public Works department. He has begun learning along side Don and Tony and is a great addition to our staff.

We extend a BIG THANK YOU to Tony Lofink for his 15 years service and dedication to our community. We wish him the best of luck in his retirement.

Lower temperatures and cooler nights contribute to improved grass growth. When mowing, please take grass clippings to the designated dump area. Brush or tree branches should be placed inside the gated area and moved down to the pile scheduled for burning later in the fall. For small yard waste fires at home, ensure they are extinguished by 4:00 pm. Please be considerate regarding smoke, music, loud noise, and barking dogs. Whenever possible, resolve any issues directly with neighbors to avoid town involvement.

Have as much fun as possible when cleaning up your yards!!

LACROSSE COMMUNITY PRIDE

LaCrosse Community Pride (LCP) is excited to announce the purchase of the vacant buildings between the Cafe and Butch's Pastime Tavern on Main Street! LCP is working in partnership with the Town of LaCrosse and the Washington State Department of Commerce through a Community Development Block Grant to renovate the former café and adjoining vacant spaces. The buildings will be transformed into a multi-purpose LaCrosse Food Hub, creating a space designed to serve the needs of our community while bringing new life and activity to Main Street. This project is another exciting step in LCP's ongoing efforts to revitalize downtown LaCrosse, preserve important community spaces, and invest in the future of our town. Stay tuned as we share updates and opportunities for the community to be involved as the project moves forward!
